

## About Us

The first of its kind **nvmen** combines Traditional Barbering with complete grooming for men.

**nvmen** is the longest trading barber shop in Australia (established 1911) with almost 100 yrs experience we offer the great service of yesteryear with the modern day touch of fashion. We offer the complete service from head to toe aimed purely at the man of today. We take great pride in our training and work environment to provide a comfortable relaxed ambience. Our staff are friendly and skilled in their area of expertise and enjoy their unique working environment.

So come in and experience it for yourself. You'll be the envy of men and look great for it!
