"A Touch of Elegance"

Nails

Acrylic nails

This is a gentle procedure that involves the application of a thin layer of acrylic to strengthen your natural nails and extend to the length of your desire, with a complimentary French airbrush or a colour of your choice. The results are natural looking nails. The benefit of having acrylic nails is that polish adheres to acrylic longer than normal nails.

Acrylic refills

Acrylic refills are recommended every 2-3 weeks as the nails have grown out over this period of time. Procedures include the cut down, refilling the gap, reshaping the nails with complimentary French airbrush or a colour of your choice.

Permanent French

Permanent French is similar to acrylic nails except that it involves two part procedure. First we thin your acrylic nails down then apply the white to the tip and then the pink powder to the rest of the nail. The result is a shiny permanent look, without the worry of chipping.

Gel Nails (Gel Powder)

Gel nails are for those that are allergic to acrylic. This process is similar to the acrylic but with the shiny natural look of the liquid gel on top of the gel powder.

Gel Liquid Nails

This process involves two soft coats of gel liquid on top of your natural nail, giving a natural shiny looking nail.

Manicure

Relax your hands in our hand spa with jet bubbles that soaks and soften your cuticle, while we cut, shape, push back and remove your excess cuticle. We then give you a soft and comfortable massage and finish off with a perfect colour application of your choice.

Spa Pedicure

Experience the sensation of our luxurious spa pedicures. A soft leather chair with built in massagers will massage your full back to shoulder. Relax while spa solution is added to warm water with 6 pulsating jets pampering your feet. We then cut, shape, file, cuticle enhance and heel buff (With a Deluxe Spa Pedicure we exfoliate, soften your calluses we then masque wrap your feet as extras), followed by a wonderful full leg massage, finished off with a perfect colour application of your choice.
